About IIA Tanzania

The Institute of Internal Auditors (IIA) Tanzania is a Professional Association that brings together internal audit practitioners and other interested parties in internal auditing in Tanzania. IIA Tanzania aims to create awareness of the contemporary role of internal audit, promote adoption and application of the International Professional Practice Framework (IPPF) and advocate globally accepted and recognized Internal audit professional certifications. Institute of Internal Auditors (IIA) Tanzania was registered in 2007 under the Societies Act, Cap 337 of the Laws of Tanzania [2002 Revised Edition].

IIA Tanzania is an affiliate to The Global Institute of Internal Auditors (IIA) which is an international professional association of more than 265,000 members established since 1941. As a member of the global fraternity of the Institutes of Internal Auditors, IIA Tanzania reaps the advantage of IIA's global leadership in Certification, education, research and professional guidance for the worldwide community of internal audit professionals. IIA Global is the only institution that provides universally applicable International Standards for the Professional Practice of Internal Auditing as well as the Code of Ethics to promote an ethical culture in performing Internal Auditing.

Other than a global affiliation, IIA Tanzania is a member of African Federation of the Institutes of Internal Auditors (AFIIA) and it hosts AFIIA Secretariat.

THE 3RD IIA ACADEMY

CPD 16 HRS

21st – 22nd September 2026

PAPU - Arusha, Tanzania

The 3rd IIA Academy returns as a premier learning platform dedicated to advancing the knowledge, skills, and professional excellence of internal auditors. This year's Academy features two specialized learning tracks delivered concurrently: Tools and Techniques for Internal Auditors Aligned with the Global Internal Audit Standards (GIAS) and the CIA Review Master Class, providing participants with the opportunity to strengthen both their practical capabilities and professional certification journey.

The Tools and Techniques for Internal Auditors track will equip participants with modern audit approaches, methodologies, and best practices aligned with the Global Internal Audit Standards, enabling them to enhance audit quality, improve engagement effectiveness, and deliver greater organizational value. The CIA Review Master Class is designed to support aspiring Certified Internal Auditors through focused guidance, examination strategies, and expert insights to help them successfully navigate the CIA certification process.

Through practical learning, expert facilitation, interactive discussions, and real-world applications, participants will gain valuable knowledge and competencies needed to excel in today's evolving audit environment. In alignment with this year's theme, "Beyond Assurance: Driving Insight, Innovation & Trust," the Academy will empower internal auditors to strengthen their technical expertise, generate meaningful insights, embrace innovative practices, and build the trust necessary to create lasting impact within their organizations.
