

ARUSHA WEATHER UPDATE IN APRIL 2024

Dear Prospective Delegate,

Welcome to Arusha Tanzania!

As you are preparing to travel to Arusha, Tanzania, we are happy to provide you with the update on the weather and temperatures in Arusha for you to prepare adequate clothing for your travel and stay in Arusha.

The average weather in Arusha in April 2024: The temperatures are comfortable with low of 17°C and high up to 26°C.

April is a rainy season. Although it typically rains every day, it seldom rains all day. Heavy afternoon rain showers are common, and umbrella, a lightweight, “breathable,” waterproof rain jacket, rain pants and inexpensive rain poncho/coats are a must.
